What is Accelerated Reading?

Accelerated Reader (AR) is a program designed to encourage students to read. AR tests student comprehension of books they have read using an online computer program.

Goals and Points?

Your child's homeroom teacher assigns a points goal to each student for each month. Most books in our library have an AR test available. Those books are marked to show they have a test. Each book has a point value, which is the maximum number of points that can be earned from that book, if the student scores 100% on the quiz.

What happens if my child meets his/her goal?

There will be a different reward for each month for 1st-5th. This year we will be working in our communities. If you have any questions please contact your classroom teacher, Mrs. Jandl or Mrs. Mayrose. Your classroom teacher will let you know if your child will attend the AR Parties.

Accelerated Reader Rules

1. Students may not take tests on books more than 2 levels below their reading level. Example: I read at a 4th grade level. I may not test on a 1st Grade level book.
2. You must read the entire book before taking a test on it.
3. Do not take a test if you've only "seen the movie."
4. Do not help other students with their tests. This is cheating.
5. No talking to other students while testing.
